Campus Recreation's mission is to create an inclusive environment that inspires movement and community. In addition to offering an award-winning fitness facility, we strive to be a place where members can connect with one another in a safe and positive environment.

Campus Recreation includes three fitness spaces: Campus Recreation Center, the Fitness Center at CARE/Crawley, and the Siddall Fitness Center. Our three facilities offer many ways for members to get active – from cardio and weight equipment, to group fitness, swimming pools, a climbing wall and more.
